

## AIRPORT SHUTTLE

Welcome to Tennessee! If you are flying in for the event, please notify Gary Patterson at the following email address- [Gary.Patterson@state.tn.us](mailto:Gary.Patterson@state.tn.us)

BRAT will provide shuttles from the Tri-Cities airport (TRI) and surrounding hotels on Saturday, September 13<sup>th</sup>. Please email Gary all of your flight/ hotel information, and most importantly a cell phone number if you will have one with you. If you cannot get to the Tri Cities airport before 6pm on Saturday, then you may need to arrive Friday night. If you are flying in Friday night, we suggest you simply stay at a hotel close by. The Tri Cities Airport is very close to the start at Warriors Path. We can be flexible on your shuttle from there. We cannot provide shuttles after 6pm on Saturday, September 13<sup>th</sup>.

Please schedule your return flight home after 12 pm on Saturday, September 20nd.

**\*\*After 2 pm if leaving from Knoxville.**

We should be able to make a single stop at the Knoxville (TYS) airport but details are being worked out now. All Knoxville flights must arrive before 3pm. Or you must find your own ride.

You may have to hang out several hours until the shuttle arrives.

The information on this page may be updated as the event grows closer. Please check for updates often.
